

## LE PRINTEMPS

### The spring

It's been spring here since  
Sunday!  
There are flowers in the trees!

This tree is a plum tree. We  
have a big one in our garden.

When the flowers fall, it feels  
like snow. It is very pretty.

## LE CONFINEMENT

### Confinement

Unfortunately, we have been confined  
again since Saturday.

We can't get out of Paris. Shops,  
restaurants and cafes are closed.

The workshop remains open.

People can still go to work
